IN HONOR OF ANGELA GARVIN

HON. CAROLYN B. MALONEY

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mrs. CAROLYN B. MALONEY of New York. Madam Speaker, I, along with Representative OCASIO CORTEZ, rise to recognize Angela Garvin, who received a women's history month award from us and from Assemblywoman Aravella Simotas at a ceremony in Queens on March 22nd. Ms. Garvin, who is now 12 years old, is being celebrated for her innovative proposal to develop rain gardens as part of the renovation of Astoria Park. These gardens will improve sustainability and make good use of stormwater.

Although Angela Garvin was just 10 years old when she developed her plan, her idea attracted the attention of New York City Parks Commissioner Mitchell Silver, who decided to incorporate it into the design for Astoria Park, which is in the process of being renovated as part of the Anchor Parks initiative. Commissioner Silver said that he was "blown away by what she wrote about the importance of our future, about sustainability and how we have to do the right thing here in Astoria Park." The 60 acre park was selected to receive \$30 million of funding for major capital improvements. Ms. Garvin's rain gardens will be part of phase 1 of the renovation plan, which calls for the reconstruction of 12 acres of the park, including its track and field facilities and improvements in the surrounding area, including new seating areas, an adult fitness area, pathway realignments, bleachers and plantings. The plan includes the development of site drainage and grading improvements, including Ms. Garvin's

rain gardens to collect and treat stormwater, as well as a detention system under the synthetic turf field to reduce discharge into the East River.

Rain gardens are low-impact, sustainable landscaping that are designed to mitigate the effects of rainfall on impermeable surfaces. The gardens slow the flow of stormwater with plants that can absorb excess nutrients and filter pollutants.

Since she was very young, Ms. Garvin has wanted to improve the facilities in her community. When she heard that Astoria Park would be renovated, she became passionate about the idea of incorporating sustainability into the plans for the park. She began attending meetings with her grandmother, Mary Baker.

The oldest of three daughters, Ms. Garvin is a 4th generation native of Astoria who attended PS 122 from kindergarten to 5th grade, just as her mother, grandmother and great-grandfather did before her. She now attends The Cathedral School of St. John the Divine in Manhattan for middle school.

Madam Speaker, we ask our colleagues to join us in celebrating the creativity and vision of Angela Garvin who persuaded the Parks Department to use a sustainable design in its reimagining of Astoria Park. Her forward thinking will benefit generations of New Yorkers and can be implemented at parks around the city.

OF COLORADO

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mr. PERLMUTTER. Madam Speaker, I rise today to recognize and applaud Lineage Logistics for receiving Commerce City's Business Appreciation 2018 Business on The Move Award.

The Business on the Move Award recognizes businesses bringing new employment, growth in sales or new capital investment to the city in the last year. Lineage Logistics, a cold storage warehousing and logistics company, is working to meet that need. The company added nearly 116,000 square feet to its existing 430,000-plus square-foot operation already in the Irondale neighborhood in Commerce City. This project brought an estimated \$12.5 million in new capital investment to the city in 2017 and \$2.1 million in 2018 as well as added 25 jobs to the company's existing workforce of 90 employees.

I extend my deepest congratulations to Lineage Logistics for this well-deserved recognition from Commerce City.

HONORING THE 100TH ANNIVERSARY OF URNER'S HOME APPLIANCE STORE IN BAKERSFIELD, CALIFORNIA

HON. KEVIN MCCARTHY

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mr. MCCARTHY. Madam Speaker, I rise today to commemorate the 100th anniversary of Urner's Home Appliance Store.

From his humble beginnings selling cookware off the back of a bicycle in the 1910s, founder David E Urner's entrepreneurial dreams were realized when he opened Urner & Janes in the summer of 1919. With a company mantra of "providing an easier way of living," Urner & Janes quickly became the premier store in the Central Valley for modern appliances. In fact, Mr Urner was the first person to offer innovative appliances like electric refrigerators and the "wonder" machine—an automatic washing machine years ahead of its time—for commercial sale in Bakersfield. His vision and relentless work ethic truly laid the foundation for Urner's to become the fixture in the community it is today.

When you look at family-owned companies that survive the test of time, one trait they all share is their adaptability, and Urner's is no exception. Largely unable to acquire metal-based appliances during World War II because of the war production efforts, Urner's had the foresight to begin selling toys and offering an appliance repair service. Fortunately, this knack for understanding the market extended well beyond David, and the company, now managed by the fourth generation of Urners, who have experienced so much success that they were forced to move from their

original downtown location into a larger 52,000 square foot superstore to keep up with demand. Urner's also recently expanded to the mattress market, opening two Z's Please Sleep Center locations and becoming their flagship mattress destination for the entire state of California.

Even more noteworthy than Urner's commercial success is their boundless care and support of the Bakersfield community. From championing local organizations to simply treating every person that passes through the doors of one of their stores with kindness and respect, Urner's is the quintessential example of how a family owned and operated business should be run. On behalf of the 23rd Congressional District I want to congratulate Urner's on its 100-year anniversary, and I look forward to another 100 years of Urner's prospering in the Bakersfield community.

RECOGNIZING THE MORTON GIRLS BASKETBALL TEAM ON WINNING THE ILLINOIS 3A STATE TITLE

HON. DARIN LAHOOD

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mr. LAHOOD. Madam Speaker, today, I would like to recognize Morton, Illinois' Morton High School girls basketball team on winning the 2019 Class 3A state title.

Returning yet again to the state championship finals, the Lady Potters capped off the 33–3 season with a 35–21 win over Glen Ellyn Glenbard South. In a game where Morton took a dominating stance early on, the Potters began the tilt with a 15–0 run. Over the course of the game, the Morton Lady Potters had an amazing team effort on both offense and defense.

The Morton girls basketball team has now brought home their fourth Class 3A state title in five years. Morton's continued success on the hardwood is a testament to the leadership of Coach Bob Becker and the determination of the young women he coaches.

The Morton girls basketball team serves as a reminder to the people of our community that when we believe in ourselves and dedicate our time and effort to the goals that we set, we can achieve even the most daring outcomes. These young women exemplify the strong work ethic rooted in Central Illinois and we could not be prouder. Again, Congratulations to Coach Bob Becker and the Morton girls basketball team for their remarkable state championship win.

CONGRATULATING LOGAN LEE ON HIS WIN AT THE CLASS 1A STATE FINALS FOR WRESTLING

HON. CHERI BUSTOS

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

Monday, March 25, 2019

Mrs. BUSTOS. Madam Speaker, I rise today to recognize Logan Lee, a senior from Orion High School, who won the Illinois High School Association's Class 1A State Finals Wrestling Tournament. Lee completed a 21–1 season by securing a 7–5 decision over Tyler Elsbury of Byron.

Logan Lee captured the 285-pound state title in exciting fashion on the University of Illinois' campus. After conceding a controversial takedown to his opponent with only :54 seconds left in the match, Logan quickly escaped to even the match at 5 points apiece. With overtime approaching, Logan went on the offense, and showed great determination to secure the go-ahead takedown with only seconds left in the bout—leaving his opponent next to no time to respond. As a former athlete, I appreciate the fortitude Logan displayed to achieve his dream of being a state champion and commend him for his efforts and attitude. Logan is an example of the importance of dedication and a strong work ethic. I am proud there is such young talent in our community, and to see him represent Orion so well throughout the state.

It is because of student leaders such as Logan that I am especially proud to serve Illinois' 17th Congressional District. Madam Speaker, I would like to again formally congratulate Logan Lee on his Class 1A State Finals title in wrestling.
